Subject: 1st batch of records for 2018-23 set 1

Dear Dan,

I'm about to send you the first batch of records (34 files) related to your FOIA request about crisis pregnancy centers, number 2018-23.

These are all related to Women to Women (W2W) Pregnancy Resource Center. It's a grantee progress report, grant applications and modifications, notices of grant awards, budgets, and budget narratives. It's not all of them, but it's all I could get through today. You'll see that there's an awful lot of repetition.

The applications (for VISTA funding and for an RSVP [formerly "Retired Senior Volunteer Program," now just "RSVP," a sub-program of Senior Corps] grantee that had W2W as a project site) included information about other project sites. I've redacted information about them as beyond the scope of the request. General information was left intact. I also redacted, under FOIA exemption 6, which protects privacy, a number of names, some CNCS phone numbers, and signatures. The Excel spreadsheets with site names have been redacted to just show W2W information.

I'll get more out to you tomorrow.

Best,
Stephanie
